

Journal of the Senate

Number 20

Tuesday, May 20, 1980

The Senate was called to order by the President at 9:00 a.m.
A quorum present—40:

Mr. President	Frank	MacKay	Skinner
Anderson	Gordon	Maxwell	Steinberg
Barron	Gorman	McClain	Stuart
Beard	Grizzle	McKnight	Thomas
Carlucci	Hair	Myers	Tobiasen
Chamberlin	Henderson	Neal	Trask
Childers, D.	Hill	Peterson	Vogt
Childers, W. D.	Holloway	Poole	Ware
Dunn	Jenne	Scarborough	Williamson
Fechtcl	Johnston	Scott	Winn

Prayer by the Rev. Edward Kircher, Trinity United Methodist Church, Winter Haven:

Our Father, in the midst of the complicated situations of life and the unsolved problems of the world, deliver thy servants from any sense of futility. Let them feel the support of the prayers of hosts of true citizens of this state and, above all, the uplift of the Everlasting Arms.

May they never forget that what is said and done here is not done in a corner, but always under your scrutiny. May they feel the weight of their responsibility before you and remember the influence of a good example, so speaking and acting that all who wait upon them may be inspired, rather than disillusioned by what they see and hear and are asked to do. Give them the spirit they ought to have that they may do what they ought to do. For Jesus' sake. Amen.

The Senate pledged allegiance to the flag of the United States of America.

House amendment 1 to Senate amendment 4—strike Senate amendment 4 and insert: On page 1, line 12, after the colon strike Section 1 and insert:

Section 1. It is the intent of this act to correct scrivener's errors in the amendment of s. 121.052, Florida Statutes, by chapter 79-377, Laws of Florida, and to amend provisions of said section to conform to the intent expressed in section 21 of chapter 79-212, Laws of Florida, the General Appropriations Act, as affirmed by Attorney General's Opinion 079-89, that public defenders are to continue participation in the Elected State Officers' Class of the Florida Retirement System.

Section 2. Paragraphs (b), (d) and (e) of subsection (1) and paragraph (c) of subsection (4) of section 121.052, Florida Statutes, are amended to read:

121.052 Membership class of certain elected state officers.—

(1)

(b) Participation in the Elected State Officers' Class shall be compulsory for any Governor, Lieutenant Governor, cabinet officer, supreme court justice, district court of appeal judge,

circuit judge, state attorney, *public defender*, or public service commissioner assuming office, either by election or appointment, on or after July 1, 1972, or for any county court judge assuming office, either by election or appointment, on or after October 1, 1974, who is not already a member of any existing system, the Judicial Retirement System, or the regular or special risk classes of the Florida Retirement System when elected or appointed to such office. Effective July 1, 1979, no public service commissioner shall be eligible for membership in the Elected State Officers' Class, and on that date any public service commissioner who is a member of the Elected State Officers' Class shall be removed from that class, shall become a member of the regular class, and shall thereafter be subject to the benefits and provisions of the regular class. Any public service commissioner who is removed from the Elected State Officers' Class on July 1, 1979, shall retain any retirement credit earned in the Elected State Officers' Class as of that date.

(d) On and after July 1, 1972, participation in the Elected State Officers' Class shall be optional within the time provided herein for any Governor, Lieutenant Governor, cabinet officer, legislator, supreme court justice, district court of appeal judge, circuit judge, state attorney, *public defender*, or public service commissioner who is already a member of any existing system, the Judicial Retirement System, or the regular or special risk classes of the Florida Retirement System when elected or appointed to such office, except that, effective July 1, 1979, no public service commissioner shall be eligible for membership in the Elected State Officers' Class. Participation in the Elected State Officers' Class shall be optional within the time provided herein for any county court judge who assumed office prior to October 1, 1974. After July 1, 1980, participation in the Elected State Officers' Class shall be optional for legislators within the time provided in paragraph (c), provided such legislators meet the requirements in paragraph (c). Any such officer may, upon application to the administrator of the Florida Retirement System within 1 year from the date he first becomes eligible to be a member of the Elected State Officers' Class by virtue of the office he holds, except for legislators, who shall apply to the administrator within the time period provided in paragraph (c), transfer to and participate in the Elected State Officers' Class, subject to the following provisions:

1. He shall transfer and carry with him such retirement credit as he has accumulated in the retirement system or class within the Florida Retirement System from which he transfers; and

2. He may purchase additional retirement credit in the Elected State Officers' Class for all creditable service as an officer within the purview of this class, which service he has accumulated in the retirement system or class within the Florida Retirement System from which he transfers, upon the payment into the system trust fund of a sum equal to the difference between 8 percent of the gross salary he received for the period of his tenure in the office, or 8 percent of \$1,000 per month, whichever is greater, for which he seeks additional retirement credit and the actual amount of his retirement contributions for such period, based on such salary, plus interest thereon at the rate of 4 percent per annum compounded annually from the date of such service until July 1, 1975, and 6.5 percent per annum thereafter until date of payment. An amount equal to the member's contributions and interest payments shall be paid to the system trust fund from the General Revenue Fund. A county court judge or any other member of the Elected State Officers' Class may purchase additional retirement credit for service prior to January 1, 1973, as a county judge, judge of a court of record, judge of a criminal or civil court of record, or judge of any metropolitan court established pursuant to s. 6, Art. VIII of the State Constitution, *judge of a small claims court, or justice of the peace*, provided an amount equal to the member's contributions and interest payments shall be paid to the system trust fund by the county or by the individual. Service as a county court judge from January 1, 1973, to October 1, 1974, may be purchased as additional retirement credit in the Elected State Officers' Class by all members of this class having such service, in the same manner as other additional retirement credit is purchased in this class.

(e) Any officer who is eligible to be a member of the Elected State Officers' Class, but for whom the time period provided in paragraph (d) has expired without his having transferred to the Elected State Officers' Class, shall be permitted to elect, in writing, from October 1, 1978, through December 31, 1980 ~~1978~~, to transfer to, and become a member of,

this class on January 1, 1981 ~~1978~~, and be subject to the benefits and provisions of the Elected State Officers' Class on and after that date. After December 31, 1980 ~~1978~~, no such election may be made.

(4)

(c) From and after October 1, 1979, the employer paying the salary of any member of the Elected State Officers' Class who is a supreme court justice, district court of appeal judge, circuit judge, county court judge, or state attorney, or *public defender* shall contribute an amount equal to 20.78 percent of such member's gross compensation, which shall constitute the entire contribution with respect to such member. The employer shall, however, withhold one-half of the entire contribution of the member required for social security coverage.

Renumber subsequent sections.

On motions by Senator Johnston, the Senate concurred in House Amendment 2 to Senate Amendment 3 and House Amendment 1 to Senate Amendment 4.

—and requests the concurrence of the Senate.

Allen Morris, Clerk

House Amendment 1—On page 2, line 25, strike everything after the enacting clause and insert:

Section 1. Sections 215.90, 215.91, 215.92, 215.93, 215.94, 215.95, and 215.96, Florida Statutes, are created to read:

215.90 *Short title.*—This act shall be known and may be cited as the "Florida Fiscal Accounting Management Information System Act."

215.91 *Legislative intent.*—It is the intent of the Legislature for the executive branch of government, in consultation with the legislative appropriations committees, to specifically design and implement a management information system utilizing a unified approach. The system is to strengthen and standardize management and accounting procedures; strengthen internal controls; enable the preparation of objective, accurate, and timely fiscal reports; report on the stewardship of officials who are responsible for public funds and property; and provide timely and accurate information for decision-making purposes.

215.92 *Definitions.*—For the purposes of this act:

(1) "Auditable" means the presence of features and characteristics that are needed to verify the proper functioning of controls in any given information subsystem.

(2) "Board" means the Fiscal Accounting Information Board.

(3) "Data code" means a set of symbols which are used to represent various data items for data elements on a one-for-one basis.

(4) "Data record" means information which is processed or stored, or is to be processed by a computer system, which may exist in any form, whether it be computer printouts, magnetic storage media, or stored internally in the memory of the computer.

(5) "Functional owner" means the agency which has the legal responsibility to design, implement, and operate an information subsystem as provided for by this act.

(6) "Functional system specifications" means the detailed written description of an information subsystem. These specifications are prepared by the functional owner of the system and describe, in the functional owner's language, what an information subsystem is required to do and describe the features, characteristics, controls, and internal control measures to be incorporated into the information subsystem. They are the basis for the preparation of the technical system specifications by the functional owner.

(7) "Information system" means a group of interrelated information subsystems.

(8) "Information subsystem" means the entire collection of procedures, equipment, and people devoted toward the generation, collection, evaluation, storage, retrieval, and dissemination of data and information within an organization or functional area in order to promote the flow of information from source to user.

(9) "Overall costs" with respect to an electronic data processing system means the cost of designing, implementing, and operating such system and includes, but is not limited to, the cost of purchase, rental, maintenance, site preparation and installation, programming, employment, and training of personnel, conversion, and communication lines.

215.93 *Florida Fiscal Accounting Management Information System.*—

(1) To provide the information necessary to carry out the intent of the Legislature there shall be a Florida Fiscal Accounting Management Information System. The principal unit of the system shall be the subsystem and the system shall originally include the following:

- (a) Revenue and Regulations Subsystem.
- (b) Planning and Budgeting Subsystem.
- (c) State Automated Management Accounting Subsystem.
- (d) Banking and Collateral Securities Subsystem.
- (e) General Services and Purchasing Subsystem.
- (f) State Personnel Payroll Information Subsystem.

(g) *Investment and Debt Control Subsystem.*

(2) Each subsystem shall have a functional owner who may establish additional components for those subsystems unless specifically prohibited by this act. However, no functional owner or any other agency shall have the authority to establish or maintain additional subsystems which duplicate any of the information subsystems of the Florida Fiscal Accounting Management Information System without the express approval of the board upon recommendation of the coordinating council. Each functional owner shall solicit input and responses from agencies utilizing the information subsystem.

(3) The Florida Fiscal Accounting Management Information System shall utilize identical data codes and the chart of accounts as used by the State Automated Management Accounting Subsystem. Further, all systems not a part of the Florida Fiscal Accounting Management Information System which provide information to the system shall use identical data codes and the chart of accounts of the State Automated Management Accounting Subsystem. Data codes which cannot be supplied by the State Automated Management Accounting System and are required for use by the information subsystems shall be approved by the board upon recommendation of the coordinating council. However, board approval shall not be required for those data codes specified by the Auditor General under the provisions of s. 215.94(8)(a).

(4) The Florida Fiscal Accounting Management Information System shall be designed, installed, and operated in a fashion compatible with the legislative appropriations system so as to provide timely data for producing financial statements for the state in accordance with generally accepted accounting principles.

(5) Functional owners are legally responsible for the security and validity of all data records existing within or transferred from their information subsystems.

215.94 *Designation of, and duties and responsibilities of, functional owners.—*

(1) The Department of Revenue shall be the functional owner of the Revenue and Regulation Subsystem. The department shall design, implement, and operate the subsystem in accordance with the provisions of this act. The subsystem shall include, but not be limited to, the following components for:

(a) Collecting detailed information regarding all revenues received by the state.

(b) Compiling and reporting statistical data for the estimation or projection of agency revenue sources in future periods.

(2) The Executive Office of the Governor shall be the functional owner of the Planning and Budgeting Subsystem which shall be designed, implemented, and operated in accordance with the provisions of this act and chapter 216. The Planning and Budgeting Subsystem shall include, but not be limited to, the following components for:

(a) Developing and preparing agency budget requests.

(b) Analysis and evaluation of agency budget requests and alternatives.

(c) Cash forecasting.

(d) Revenue and expenditure projections.

(e) Controlling and tracking the allocation of appropriations.

(f) Budgetary performance and compliance valuations.

(3) The Department of Banking and Finance shall be the functional owner of the State Automated Management Accounting Subsystem established pursuant to ss. 216.141 and 11.46 and further developed in accordance with the provisions of this act. The subsystem shall include, but not be limited to, the following components:

(a) Departmental or agency accounting and reporting.

(b) Cost accounting.

(c) Production control.

(d) State or central accounting and reporting.

(e) Warrant preparation.

(4) The State Treasurer shall be the functional owner of the Banking and Collateral Securities Subsystem. The State Treasurer shall design, implement, and operate the subsystem in accordance with the provisions of this act. The subsystem shall include, but not be limited to, the following components for:

(a) Recording and reconciling credits and debits to treasury fund accounts.

(b) Monitoring cash levels and activities in state bank accounts.

(c) Monitoring short-term investments of idle cash.

(d) Recording and monitoring securities pledged to and administered by the State Treasurer's office.

(5) The Department of General Services shall be the functional owner of the General Services and Purchasing Subsystem. The department shall design, implement, and operate the subsystem in accordance with the provisions of this act. The subsystem shall include, but not be limited to, the following components for:

(a) Commodity procurement, inventory control, and warehousing.

(b) Facilities management and utilization.

(c) Construction bidding and monitoring.

(d) Controlling and operating centralized equipment pools.

(6) The Department of Administration shall be the functional owner of the State Personnel Payroll Information Subsystem. The department shall design, implement, and operate the subsystem in accordance with the provisions of s. 110.116 and this act. The subsystem shall include, but not be limited to, the following components for:

(a) Maintaining employee and position data.

(b) Recruitment and examination.

(c) Time reporting.

(d) Retirement contributions and certification.

(7) The State Board of Administration shall be the functional owner of the Investment and Debt Control Subsystem. The State Board of Administration shall design, implement, and operate the subsystem in accordance with the provisions of this act. The subsystem shall include, but not be limited to, the following components for:

(a) Recording purchase and liquidations of the investments administered by the State Board of Administration.

(b) Monitoring and evaluating the yield or return on the state's investments.

(c) Recording the sale of, the payment of interest on, and redemption of state-supported bond issues.

(d) Monitoring state-supported bond issues so that the contractual and legal requirements relative to the bond issues are met.

(8)(a) The Auditor General shall be advised by the functional owner of each information subsystem as to the date the development of its functional system specifications is to begin.

(b) Upon such notification, the Auditor General shall participate with each functional owner to the extent necessary to provide assurance that:

1. The accounting information produced by the information subsystem adheres to generally accepted accounting principles.

2. The information subsystem contains the necessary controls to maintain its integrity, within acceptable limits and at an acceptable cost.

3. The information subsystem is auditable.

(c) The Auditor General shall specify those additional features, characteristics, controls, and internal control measures deemed necessary to carry out the provisions of this subsection. Further, it shall be the responsibility of each functional owner to install and incorporate such specified features, characteristics, controls, and internal control measures within each information subsystem.

215.95 Fiscal Accounting Information Board.—

(1) There is created as part of the Administration Commission the Fiscal Accounting Information Board. The board shall be composed of the Governor, the Comptroller, and the Treasurer. The Governor shall be chairman of the board. The Governor or the Comptroller may call a meeting of the board at any time as the need arises.

(2) To carry out its duties and responsibilities the board shall by majority vote:

(a) Adopt such rules as deemed necessary to implement the Florida Fiscal Accounting Management Information System.

(b) Issue orders to executive branch agencies to enforce implementation of and compliance with provisions relating to the Florida Fiscal Accounting Management Information System.

(c) Manage and oversee the development of the system in such a fashion as to insure compatibility and intergration with the Legislative Appropriations System.

(d) Submit to the Joint Legislative Auditing Committee an annual report containing, but not limited to, the following:

1. Current status of all information subsystems.
2. Detailed plans as related to all information subsystems provided for in s. 215.96(3)(a).

215.96 Coordinating council.—

(1) The Comptroller, as chief fiscal officer of the state, shall establish a coordinating council to function on a continuing basis. The coordinating council shall review and recommend to the board solutions and policy alternatives to ensure coordination between functional owners of the various information subsystems described in this act to the extent necessary to unify all the subsystems into a fiscal accounting management information system.

(2) The coordinating council shall consist of the following or their designee: the Comptroller; the Treasurer; the Secretary of the Department of Administration; the Director of Planning and Budgeting, Executive Office of the Governor; the Executive Director of the Department of General Services; the Executive Director of the Department of Revenue; the Executive Director of the State Board of Administration; and the Auditor General. The Comptroller or his designee shall be chairman of the coordinating council; the Director of the Division of Electronic Data Processing, Department of General Services, shall serve without voting rights as secretary to the coordinating council. The chairman shall call a meeting of the coordinating council as often as necessary to transact business.

(3) The coordinating council shall have the following duties, powers, and responsibilities pertaining to the Florida Fiscal Accounting Management Information System:

(a) To conduct such studies as necessary to establish a 5-year plan to design, implement, and perpetuate a fiscal accounting management information system. The first year of the 5-year plan shall contain detailed information and overall costs. The original plan shall be established no later than April 1, 1981, and thereafter shall be updated for 1 year each fiscal year.

(b) To recommend to the board solutions and policy alternatives that will ensure a framework for the timely, positive, preplanned, and prescribed data transfer between information subsystems.

(c) To report to the board all actions taken by the coordinating council for final action.

Section 2. Section 216.023, Florida Statutes, is amended to read:

216.023 Legislative budget requests budgets to be furnished by agencies.—

(1) The head of each agency, except the state courts system as defined in s. 25.382, shall submit a final legislative budget request to the Legislature and to the Governor, as chief budget officer of the state, in the form and manner prescribed in the budget instructions and at such time as specified by the Executive Office of the Governor, based on the agency's independent judgment of its needs. However, no state agency shall submit its final legislative budget request later than November 1 in even-numbered years.

(2)(1) Each agency, except the state courts system as defined in s. 25.382, shall submit an annual legislative budget to the Governor, as chief budget officer of the state, in the form and manner, and at such time as may be prescribed by the department. 218.385 County, municipal, special district bonds; sale.—

(1) The word "bonds" as used in this section shall include the following meanings as defined:

(a) "General obligation bonds" which are obligations of a unit secured by the full faith and credit, or payable from the proceeds of ad valorem taxes, of the governmental unit.

(b) "Revenue bonds" which are obligations of a unit to pay the cost of a self-liquidating project or improvements thereof or combination of one or more projects or improvements thereof, and payable from the earnings of such project and any other special funds authorized to be pledged as additional security therefor.

(c) "Limited revenue bonds" which are obligations issued by a unit to pay the cost of a project or improvement thereof, or combination of one or more projects or improvements thereof, and payable from funds exclusive of ad valorem taxes, special assessments, or earnings from such projects or improvements.

(d) "Special assessment bonds" which are bonds that provide for capital improvements and are paid in whole or in part by levying and collecting special assessments on the abutting, adjoining, contiguous, or other specially benefited property.

(2) All bonds sold by a unit of local government, as defined in s. 218.31(1), shall be sold at public sale by competitive bids at such place or places as the governing body shall determine to receive proposals for the purchase of such bonds. Notice of such sale shall be published one or more times at least 10 days prior to the date of sale in one or more newspapers or financial journals published within or without the state, and shall contain such terms as the governing body shall deem advisable and proper under the circumstances. However, if the governing body shall by resolution at a public meeting determine that a negotiated sale of such bonds is in the best interest of the issuer, the governing body may negotiate for sale of such bonds.

(a) In the resolution authorizing the negotiated sale, the local governing body shall provide specific findings as to the reasons requiring the negotiated sale. Said reasons shall include, but not be limited to, characteristics of the bond issue and prevailing market conditions that necessitate a negotiated sale.

(b) A resolution authorizing a negotiated bond sale may be the same resolution as that authorizing the issuance of such bonds.

(3) All proposals for the purchase of any bonds offered by a unit of local government shall be opened in public. Such bonds when competitively bid shall be awarded by resolution to the lowest bid consistent with the notice of sale.

(4) No bid conforming to the notice of sale may be rejected unless all bids are rejected. If all bids are rejected, such bonds may be sold thereafter at public sale by competitive bids or by negotiated sale pursuant to this section.

(5) No bonds of a unit of local government shall be issued unless the face or reverse thereof contains a statement, ex-

ecuted either manually or by facsimile signature, of the appropriate officer of the unit of local government responsible for issuing such bonds to the extent that issuance of such bonds has been approved under the provisions of this act. Such statement shall be conclusive evidence as to approval of the issuance of such bonds and that the requirements of this act have been fully complied with.
